

Room 2 Newsletter

18 August 2010

Dear Parents / Caregivers

Swimming

Thank you to all the parents who have offered transport. We couldn't go swimming without your help. If you do not wish your child to go swimming due to illness please send a note with your child.

Library Day

Library day is Friday. Please remind your child to bring their library books back to school by Thursday. There is one book that was issued to the class that is missing (*Nesta and the Missing Zero*). Could you please check to see if you have this book at home.

PMP (Perceptual Motor Programme)

PMP continues this term. Thank you to the parents who are assisting with this programme.

Interviews

I hope you found the Goal Setting Interviews useful. Please contact me if you have any concerns regarding your child/children.

Kind Regards

Margaret Sutherland
